

## **GRAND VICTORIA honored Urban Design & Architecture Design Awards 2025**

2025-03-17

Jointly-developed by S E A Holdings Limited, Wheelock Properties Limited, Sino Land Company Limited and K. Wah International Holdings Limited, **GRAND VICTORIA** won “Gold Winner” in the Urban Design & Architecture Design Awards 2025.

The Urban Design & Architecture Design Awards are hosted by Architecture Press Release (APR), a prominent architecture organization within the globe. Recognized as one of the most esteemed awards in the fields of Architecture and Design, these awards celebrate exceptional concepts that transform architectural design by incorporating innovative technologies, materials, programs, aesthetic values, and spatial arrangements.

**GRAND VICTORIA** represents a remarkable collaboration among well-known and award-winning professionals—architects, designers and developers, resulting in an exceptional waterfront living while advocating for societal advancement and comprehensive community involvement. Its committed dedication to environmental sustainability is evident through its devotion to green building standards, ensuring that every feature of the development ranging from energy efficiency and the use of sustainable resources to waste management, and indoor environmental quality meets the highest industry standards.
